

THE SMART DIVORCE® WORKSHOP SERIES

Speaker: Deborah Moskovitch, Divorce Consultant and Author of The Smart Divorce

If you are either contemplating or currently going through divorce, these seminars offer you strategies and tips for successfully navigating the divorce process. You'll learn what to expect about the emotional and legal aspects of divorce so you are better prepared to move forward with focus and confidence while saving time and money.

THE SMART DIVORCE: LEARNING THE BASICS

Wednesday, February 4, 2009 Time: 7:00—8:30 p.m.

Learning objectives:

- Understanding Divorce: Exploring the “emotional divorce” versus the “legal divorce” and how to effectively manage the process.
- Working with Your Lawyer: It's a job for both you and your lawyer. What you should be doing to make the process most cost effective.
- Get Your Life in Order for the Divorce Process: How to organize your paperwork to cut down on legal expenses.

THE SMART DIVORCE: PARENTING THROUGH DIVORCE

Wednesday, February 18, 2009 Time: 7:00—8:30 p.m.

Learning objectives:

- Parenting throughout divorce: Exploring the “emotional divorce” versus the “legal, what children are going through; and putting your children's best interest first.
- Moving from Mom's house to Dad's house - Understanding custody and co-parenting arrangements; developing a parenting plan; and parenting after divorce.
- The parenting experts: Who they are, how they can help you, and things to consider
